

## cupcake order form

In 2011 **metro** Cafe & events took part in a week long cupcake drive to support and generate awareness for the RSPCA. We raised over \$1300 by the generous support and donations from our customers and the community. We are proud to be part of this fantastic concept again.

- 8 fantastic flavours all made on premise
  - \$4 per Cupcake no limit to order
  - \$1 from each sold goes to **RSPCA**
- **metro** will match the total donations raised over the week!
